AGENT REWARDS ENROLLMENT TROUBLESHOOTING

Attention: Some agents who log in with their personal user id may not see the Agent Rewards log in box on the FAO home page. This is because their user id is not associated with a specific producer. This is very easy to fix.

Here is what the home page looks like if they should see the Agent Rewards log in section but don't – there is no AR log in on the left side of the page.

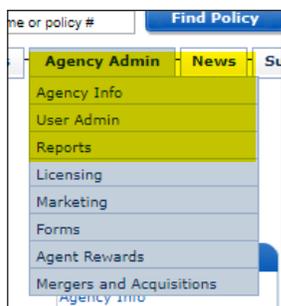

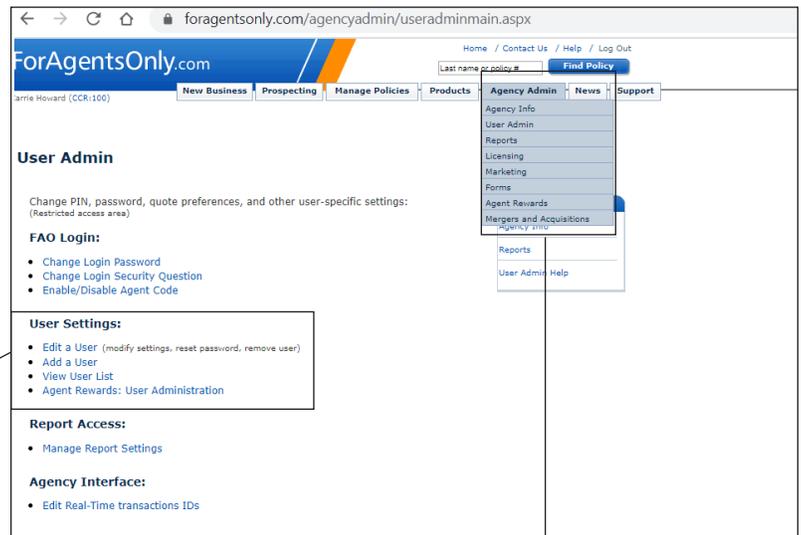

What needs to be done to correct this issue:

1. Log into ForAgentsOnly.com with the agent code. You must know the PIN in order to complete these steps.
2. Access the user id to be corrected by choosing Agency Admin, User Admin, Edit a User.

User Settings:

- Edit a User (modify settings, reset password, remove user)
- Add a User
- View User List
- Agent Rewards: User Administration

3. Enter the agent code PIN number
4. Click modify setting for the user id being edited.
