# START WINNING WITH PROGRESSIVE COMMERCIAL AUTO

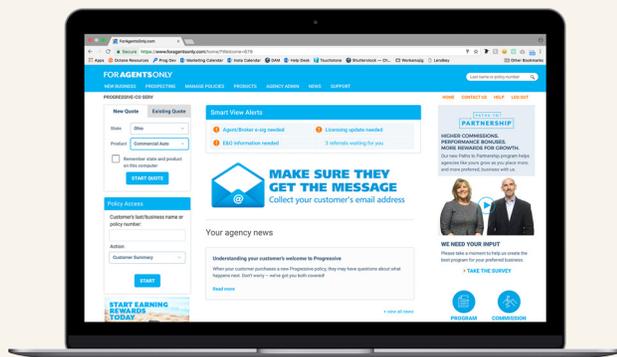

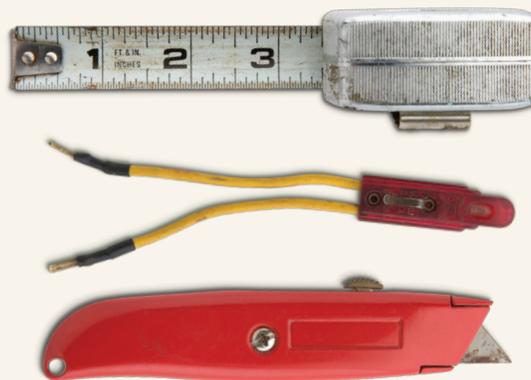

## DISCOVER OUR MOST COMPETITIVE RATES— ESPECIALLY FOR PREFERRED RISKS

As the **#1 commercial auto insurer**, we're a great choice for businesses that rely on their vehicles, including trade contractors, landscapers, professional services, and more.

We're particularly competitive for small businesses that have a vehicle fleet of four or less—**tenured businesses that have a great safety record and are financially strong will see our best rates.** And we specialize in monoline commercial auto risks and custom packages, including when Property or General Liability is hard to place.

You can quote single vehicle risks or fleets of up to nine vehicles on *ForAgentsOnly.com* (FAO).

## QUOTING PROGRESSIVE COMMERCIAL CAN BE AS EASY AS PERSONAL AUTO

1. Go to *ForAgentsOnly.com* (FAO) and start a new quote.
2. Choose “Commercial Auto” as the product.
3. Answer the questions as you would for Personal Auto.
4. Add commercial-specific coverages (If you have questions, click the  in the quoting screen for more information or call us).
5. Choose the payment options, bind the policy online and make the sale. That's it!
