Local Search

97% of people learn more about a local company online than anywhere else.

&

88% of searches for local businesses on a mobile device result in either a call or visit to a business within 24 hours.*

Why Local Search?

ListAgent

Why ListAgent?

1. Having a digital presence is vital and ListAgent ensures yours will be a positive one for customers seeking an insurance agent.

2. Pulling all your online reviews into a single platform can help you understand what your customers think of you.

3. ListAgent is convenient and helps you monitor your listings with very little involvement.
