

## Heavy Truck Roadside Assistance now available!

For eligible customers in AL, AR, CO, CT, GA, MD, NC, OH, OK, OR and TN

**Hit the road with confidence.**

Roadside Assistance covers the cost of help at the site of disablement, so you can be prepared for a breakdown—or other obstacles that may happen on the road.

### Coverage details:

- Covers up to \$500 in labor and \$5,000 in towing to the nearest qualified repair facility. (\$250 deductible applies at time of service)
- Covers insured vehicle and the attached trailer.
- Covers up to three roadside incidents per insured vehicle per six-month period
- Available for breakdowns that occur countrywide—24/7, 365 days a year

### Disablements covered:

- Mechanical or electrical breakdown
- Battery failure
- Insufficient fuel, oil, water, or other fluid
- Flat tire
- Lock-out
- Entrapment in snow, mud, water, or sand, within 100 feet of a road or highway

### Availability:

Heavy Truck Roadside Assistance is currently available in AL, AR, CO, CT, GA, MD, NC, OH, OK, OR and TN for Commercial Auto policies written in Portfolio Commercial.\*

All heavy vehicles covered by Progressive Commercial are eligible, except motorhomes, ice cream trucks and buses. Covered vehicles include trailers attached to insured auto for which Roadside Assistance coverage has been purchased, but Roadside Assistance cannot be added to individual trailers on a stand-alone basis.

[Log in to your policy to add Heavy Truck Roadside or contact your local agent.](#)

\*Policies in the states listed above, but not on our latest administration system, will be eligible for Heavy Truck Roadside at renewal.

Roadside Assistance coverage provided and administered by TTN Fleet Solutions. Not available in all states or situations. Roadside Assistance services and coverages subject to policy terms and limits and include towing, winching, battery charge/jump-starts, fuel and other fluid delivery, vehicle lockouts, and flat tire repair/replacement. Towing assistance determined on case-by-case scenario. Replacement parts, tires, fuel, fluids, lubricants, key, and other costs are additional.
